As A Blonde
Selena Gómez

```
        C
I was looking in the mirror
trying to find a new reflection
Wanna take the road less traveled
in a different direction
Make some new mistakes
forget the ones I made
Cry some tears of joy
dress more like a boy
```

(chorus 1)
```
                   Am
And come back as  a blond
F                 C            G/B C
  try a different lipstick on
      G
as a blond will I get
     C

(verse 2)
```
        C
I wanna meet myself
as someone else
just to see what it feels like
Take a walk, on the other side
cause you know that I just might
Break some different
hearts finish what i start
I m not gonna wait and
mess around with fate.
