

Live Like There's No Tomorrow
Selena Gómez

Intro: **G D Am C** x2

G

If time came to an end today

D

And we left too many things to say

Am

If we could turn it back

C

What would we want to change

G

And now's the time to take a chance

D

Come on, we gotta make a stand

Am

What have we got to lose

C

The choice is in our hands

Em

D

And we can find a way

D

Am

C

To do anything, if we try to

G

D

Am

Live like there's no tomorrow

C

Cause all we have is here, right now

G

D

Am

Love like it's all that we know

C

The only chance that we ever found

G

D

Believe in what we feel inside

D

Am

Believe and it will never die

Am

C

Don't never let this life pass us by

G

D

Am

C

Live like there's no tomorrow

If there never was a night, a day

And memories could fade away

Then there'd be

Nothing left, but the dreams we made

Take a leap in faith and hope you fly

Feel what it's like to be alive

Give it all that we've got

And lay it all on the line
