[Verse 2]

 C D
you eyes have told a thousand lies
 G Em
but I believe them when they look in mine

I heard the rumours but you won't come clean
I guess I'm hoping it's because of me
yeah I know, that I know
and I know it's not meant to be

[Chorus]

here's my dilemma
one half of me wants you
and the other half wants to forget
my my my dilemma
from the moment I met you
and I just can't get you out of my head
and I tell myself to run from you
but I found myself attracted
to my dilemma my dilemma
it's you it's you

[Bridge]

I could live without you
your smile your eyes
the way you make me feel inside
I could live without you
