

Naturally

Selena Gómez

Ok so, I m an amateur guitar player but this is what I ve got. I switched up the chords on another tab I saw. So I hope this helped!

Am

How you choose to express yourself,
It's all your own and I can tell,
 F **G** **Am**
It comes naturally, it comes naturally.

Am

You follow what you feel inside,
It s intuitive you don t have to try,
F G Am
It comes naturally, it comes naturally.

F
G
Am
 And it takes my breath away

	F	G	Am
What	you	do	so naturally

CHORUS :

Am F C
You are the thunder and I am the lightning
G
And I love the way you
Am F C
Know who you are and to me it s exciting
G Am
When you know it s meant to be
F C
Everything comes naturally, it comes naturally
G

When you re with me baby
Am **F** **C** **G**
 Everything comes naturally, it comes naturally
Am
 Bay bay baby

Am

You have a way of moving me

A force of nature your energy
F **G** **Am**
 It comes naturally, it comes naturally
F **G** **Am**

And it takes my breath away

F G Am

What you do so naturally

CHORUS:

Am F C

You are the thunder and I am the lightning

G

And I love the way you

Am F C

Know who you are and to me it s exciting

G Am

When you know it s meant to be

F C

Everything comes naturally, it comes naturally

G

When you re with me baby

Am F C G

Everything comes naturally, it comes naturally

Am

Bay bay baby

F G

When we collide, sparks fly

Am C

When you look in my eyes

F G Am

It takes my breath away

CHORUS:

Am F C

You are the thunder and I am the lightning

G

And I love the way you

Am F C

Know who you are and to me it s exciting

G Am

When you know it s meant to be

F C

Everything comes naturally, it comes naturally

G

When you re with me baby

Am F C G

Everything comes naturally, it comes naturally

Am

Bay bay baby

Naturally

F

Naturally

C

Naturally

G Am

Bay bay baby

Naturally

F

Naturally

C

Naturally

G

Am

Everything baby comes naturally
