

Save The Day
Selena Gómez

Intro: **Dm**

Dm

Kiss the moon goodbye

C

But don't close your eyes, your eyes

Dm

It's the end of the night

C

Bb

But the beginning of time, for you and I

C

Dm

I can't believe that my body is still moving, I

Bb C

It makes me feel like we're doing something right.

Dm

Baby when the night starts slipping

Dm/C

When the night starts slipping

F

Bb

When the night starts slipping away

Dm

Boy you keep my heartbeat skipping

Dm/C

When you touch me even though

F

Bb

The time is ticking away

Dm

C

Just tell me it's not over

F

G

And we'll never reach the end

Dm

C

But when the night starts slipping away,

Dm

Save the Day

Dm/C

De de de de de de day

Bb

De de de de de de day

C

De de de de de de day

Dm

Save the Day

Dm/C

De de de de de de day

De de de de de de day

C

De de de de de de day

Dm

Save the Day

Dm

Yeah we re still wide awake

C

Got me losing my mind, my mind

Dm

No, it s never too late,

C

Put your lips on mine

Bb

In the burning sunlight, I

C

I cant believe that my body is still moving, I

Dm

Bb C

It makes me feel like we re doing something right.

Dm

Baby when the night starts slipping

Dm/C

When the night starts slipping

F
