

Stars Dance
Selena Gómez

Intro: C Em

Wake up to your dreams C
And watch them come true Em
I ll make you whisper my name, i ll never leave the room C Em
Night and day, i ll be your muse C Em
No other girl can make you feel the way I do

I can make the stars dance C
Light up the moon, I can make the stars dance Em C
If you want me to Em
The sky is everywhere, so meet me under it C Em
I can make the stars dance dance dance with you Em

Don t be afraid, close your eyes C Em
Let me take you to places that you ve never been tonight C Em
I thought by now you d realize I can do anything I put my mind to C Em

I can make the stars dance C
Light up the moon, I can make the stars dance Em C
If you want me to Em
The sky is everywhere, so meet me under it C Em
I can make the stars dance dance dance with you Em

Everything I touch turns to love C D Em
Everything I do will open up heaven C D Em
C D

It s dead steady, there s falling and flying in love
Em **C** **D** **Em**
Nothing s forever because we are just stardust

C
I can make the stars dance
Em **C**
Light up the moon, I can make the stars dance
Em
If you want me to
C **Em**
The sky is everywhere, so meet me under it
Bm **Em**
I can make the stars dance dance dance with you

C
I can make the stars dance
Em
I can make the stars
C **Em**
I can make, I can make, I can make, I can make, I can make the stars dance

C **Em**
The sky is everywhere, so meet me under it
