

Stars Dance  
Selena Gómez

Intro: C Em

Wake up to your dreams  
And watch them come true  
I ll make you whisper my name, i ll never leave the room  
Night and day, i ll be your muse  
No other girl can make you feel the way I do

I can make the stars dance  
Light up the moon, I can make the stars dance  
If you want me to  
The sky is everywhere, so meet me under it  
I can make the stars dance dance dance with you

Don t be afraid, close your eyes  
Let me take you to places that you ve never been tonight  
I thought by now you d realize I can do anything I put my mind to

I can make the stars dance  
Light up the moon, I can make the stars dance  
If you want me to  
The sky is everywhere, so meet me under it  
I can make the stars dance dance dance with you

Everything I touch turns to love  
Everything I do will open up heaven

It s dead steady, there s falling and flying in love
