

The Way I Loved You  
Selena Gómez

Everything s cool, yeah  
It s all gonna be okay, yeah

And I know  
Lam  
Maybe I ll live and laugh about it someday

But not today, no

Cause I don t feel so good

I m tangled up inside

My heart is on my sleeve  
Lam  
Tomorrow is a mystery to me

And it might be wonderful, it might be magical  
It might everything I ve waited for, a miracle  
Oh, but even if I fall in love again with someone new  
It could never be the way I loved you

Letting you go is  
Making me feel so cold, yeah

And I ve been  
Lam  
Trying to make believe it doesn t hurt

But that makes it worse, yeah

See, I m a wreck inside

My tongue is tied

And my whole body feels so weak

Lam **D**

The future may be all I really need

**G** **C**  
And it might be wonderful, it might be magical

**G** **D** **C**  
It might everything I've waited for, a miracle

**G** **C**  
Oh, but even if I fall in love again with someone new  
**G** **C** **D** **G**

It could never be the way I loved you

**Em** **F**

Like a first love, the one and only true love

**C** **G** **D**  
Wasn't it written all over my face? Yeah

**Em**

I love you like you loved me

**F**

Like something pure and holy

**C** **G** **D**  
Like something that could never be replaced

**G** **C**  
And it might be wonderful, it might be magical

**G** **D** **C**  
It might everything I've waited for, a miracle

**G** **C**  
Oh, but even if I fall in love again with someone new  
**G** **C**

I could never be the way

**G** **C** **D** **G**  
No, it will never be the way I loved you
