Bm   D
In your eyes, there s a heavy blue
G   A
One to love, and one to lose
   Bm   D
Sweet divine, a heavy truth
  G   A
Water or wine, don t make me choose

Bm   D
I wanna feel the way that we did that summer
  G   A
Night, night
   Bm   D
Drunk on a feeling, alone with the stars in
      G
The sky

           G
I ve been running through the jungle
          A
I ve been running with the wolves
         Bm   D
To get to you, to get to you
          G
I ve been down the darkest alleys
        A
Saw the dark side of the moon
          Bm   D
To get to you, to get to you
               G
I ve looked for love in every stranger
         A
Took too much to ease the anger
        Bm   D
All for you, yeah, all for you
          G
I ve been running through the jungle
```

```
               A

G  A  Bm  D
               To get to you

  Bm                D
Your fingertips trace my skin
  G              A
To places I have never been
   Bm        D
Blindly, I am following
   G                      A
Break down these walls and come on in

Bm                           D
I wanna feel the way that we did that summer
  G       A
Night, night
