Love this song! Selena is a talented singer, although it's sad to hear of her death. But anyway, this song is awesome..I would suggest listening to the original people covers of this song (like Jennifer Lopez) but no one can replace Selena. She has that about her.

[Intro]  
{Drum machine}  
(then keyboards? Sound effect?)

**E, B, C#m, A**  
**E, G#, E**

Spanish guitar:

```
E-----4-4-4-5-2--0h2p0---5-4-0----|
B-----5-----4-4h5-4-2-----0h2p0-----0--|
G-----6-----|
D-----6-----|
A---4-----|
E--4-----|
```

[Verse 1]

**E** **C#m**  
I could lose my heart tonight  
**B** **F#m**  
If you turn and walk away  
**E** **C#m**  
Cause the way I feel I might  
**B** **F#m**  
Lose control and let you stay  
**A**  
Cause I could take you in my arms  
**B**  
And never let go

[Chorus]

**E**                      **G#**              **C#m**              **A**  
I could fall in love with you

G--2\4\6-4-2-2-1--|

**E**                      **G#**              **C#m**              **A**  
I could fall in love with you (baby)

[Verse 2]

**E**                      **C#m**  
I can only wonder how,  
                 **B**                      **F#m**  
Touching you would make me feel,  
**E**                      **C#m**  
But if I take that chance right now,  
         **B**                      **F#m**  
Tomorrow will you want me still,  
**A**  
So I should keep this to myself,  
                 **B**  
And never let you know,

[Bridge 1]

**F#m**  
And I know itâ€™s not right,  
         **B**  
And I guess I should try,  
         **E**              **G#**              **C#m**  
To do what I should do,  
         **A**              **E**                      **G#**              **C#m**  
**A**  
But I fall love, fall in love, with you, (you, baby)  
**E**                      **G#**                      **E**  
I could fall in love with you,

[Bridge 2:] (Spanish)

**G#m**                      **F#m**  
Siempre estoy soÃ±ando en ti,  
**G#m**                      **F#m**  
Besando mis labios, acariciando mi piel  
**G#m**                      **F#m**  
AbrÃ­zandome, con ansias locas  
**G#m**  
Imaginando que me amas,  
**F#m**  
Como yo podria amar a tÃ­,

**A**  
So I should keep this to myself,  
                 **B**

And never let you know

[Chorus]
