Standard Tuning (Capo I)

Intro: C G Bb F X2

Verse 1:

C G Bb

Don't say that you know me

F

You never knew the first thing at all

C G Bb

Still you should have told me

F

Took everything, selling it off

C G Bb

These holes in your stories

F

As many as there's holes in the wall

Bb

You told me that you like the old me

F

‘Cause the new me is telling you

Chorus :

C Bb

I Refuse

F **C** **Bb**

To fit into this lame idea you've always had for me

F

I don't want to be what you want me to be

Verse 2:

I hear you complaining ‘cause I’m not the same

But I won't be missing the place that I came

I know that it's risky but all bets are off

This is my life, so whatever the cost, if I'm lost

Would you hold it against me

And make me pay for every step of the way

I know that you've already told me

You don't like the new me at all

You told me that you miss the old me

And that I couldn't be happy at all 'cause?

Chorus:

I Refuse

To fit into this lame idea you've always had for me

I'm not going to be what you want me to be

Bridge:

Bb

F

I know that you've already told me

Bb

You don't like the new me at all

F

You told me that you used to know me

Bb

You really never knew me at all

F

But darling change is a good thing

Bb

F

I see for myself Change is a good thing

Bb

F

Spelling it out Change is a good thing Can see for myself

Verse 3:

Don't say that you know me

You never knew the first thing at all

Still you should have told me

Took everything, selling it off
