Verse 1

[illegible]

```

F#                               C#                               E                               A
    you ve been invited to fight in this long secret war, buyer beware, there s
    B
people out there, they don t really care... holding a mailbomb addressed to
you...

```

Chorus

**F#** **E**  
you could never kill

**B**  
what never dies with your little lies, come on...

**F#** **E** **B**  
fools think they control some peoples lives with their little lies, they re  
wrong...

Verse 2

**F#**                      **C#**                      **E**  
 voices, footsteps, shadows they follow you home...

**A**    **B**  
 you ll hear the sound of men underground standing around, holding a shovel to  
 bury  
 you...

**F#**    **C#**                      **E**  
 you ve been invited to tear down this locked secret door...  
                     **A**    **B**  
 there ain t no doubt they ll take you out and all you re about...  
 dodging these daggers they throw at you...

Chorus

**F#**    **E**  
 you could never kill

**B**  
 what never dies with your little lies, come on...

**F#**    **E**    **B**  
 fools think they control some peoples lives with their little lies, they re  
 wrong...

**F#**    **E**    **B**  
 you could never kill what never dies with your little lies, come on

**F#**    **E**    **B**  
 fools think they control some peoples lives with their little lies, they re  
 wrong...
