

E **B**
some don't want to see you live...

they just want to see you...

F# E B x2

Chorus\Outro

F# E
you could never kill

B
what never dies with your little lies, come on...

F# E B
fools think they control some people's lives with their little lies, they're
wrong

F# E
you could never kill

B
what never dies with your little lies, come on

F# E B
fools think they control some people's lives with their little lies, they're
wrong

End on F#
