The broken hearts that are soaked with fear

To be at one with all your life....

..... Work in progress from here forward check for updates

So how can find ourselves?

Trapped in our private hells

Where we just scream but no one can hear

X marks the spot where the dig begins

The treasure is found within

The broken hearts that are soaked with fear

To be at one with all your life

And do without doing a thing

Don t try too hard to understand

Or you ll miss the point at hand
