

**Yellow Angels**  
**Senses Fail**

There is NO acoustic version of this, but I did this for those who want to do an acoustic cover of it.

This is 100%

Standard Tuning (EADGBE)

Introduction (Bell part): **D#** , **Cm**

Verse 1:

**D#**

As the car begins to roll

**Cm**

I smile as I lose control

This weightlessness is such a gift

**D#**

cause gravity has lost its hold

I see the sky, and then the ground

**Cm**

Kaleidoscope of light and sound

Catching flashes of my life

**G#**

Just then the house lights all went out

**A#**

**Fm**

**G#**

I want to know myself so bad it hurts

**A#**

**Fm**

I am a shell holding on.

Chorus 1:

**D#**

I said goodbye so many times in my life

**Cm**

**G#**

I m surprised it s still so hard for me

**D#**

To see that I should start living my life

**Cm**

**G#**

Or I will die unfulfilled and empty

Verse 2:

**D#**

I come to, still in the chair

**Cm**

As yellow angels step with care

My spinal cord s still sending shocks

**D#**

Buy my life s in need of repair

There s got to be more than this

**Cm**

I don t want to just exist as a hollow house for bones

**G#**

More alone every minute

**A#**

**Fm**

Is there a place where I can start again?

Chorus 2:

**D#**

I said goodbye so many times in my life

**Cm**

**G#**

I m surprised it s still so hard for me

**D#**

To see that I should start living my life

**Cm**

**G#**

Or I will die unfulfilled and empty

**D#**

Wake up, you re sleeping

**Cm**

**G#**

Wake up, you re sleeping behind the wheel

**D#**

**Cm**

**G#**

Wake up, you re sleeping behind the wheel

**D#**

**Fm**

**G#**

Wake up, you re sleeping behind the wheel

End on **D#**
