C **B**
All bridges... on fire!
F **B** **C**
As onward and onward we ride
C **B**
The smoke rises higher, higher...
F **B** **C**
Up the ever-darkening sky
B **F** **C** **B**
So quickly everything swirled; descent of the world
F **B** **C**
Now it s all a chaotic ruin
C **B**
Burning eerie, sapphire
F **B** **C**
The foretold of closing doom
C **B**
Glowing dreadful and dire, dire...
F **B** **C**
Is the ever-haunting moon
C **B** **F** **C** **B**
So sickly everything twirled; the end of the world
F **B** **C**
Now it s all a chaotic ruin
C **B**
We came so far, we came so far
B **F** **B** **C**
So deeply wounded and so scarred our despair-ridden hearts
C **B**
Frail as we are, frail as we are
B **F** **B** **C**
Firmly united we will stand til the world falls apart
