Life is now or never
E
Forever s gonna slow you down

chorus:

Bm
You ll never see me again
A **E**
So now who s gonna cry for you
E **Bm**
You ll never see me again

No matter what you do
E **Bm**
You ll never see me again
A **E**
So now who s gonna cry for you
E **Bm**
You ll never see me again
A **E**
No matter what you do

You never heard me break your heart
You didn't wake up when we died
Since I was lonely from the start
I think the end is mine to write

Forever and ever
Life is now or never
Forever never comes around
People love and let go
Forever and ever
Life is now or never
Forever's gonna slow you down

You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do

Forever and ever
Life is now or never
Forever never comes around
People love and let go
Forever and ever
Life is now or never
Forever's gonna slow you down

You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do

You never heard me break your heart
You didn't wake up when we died
Since I was lonely from the start
I think the end is mine to write

Forever and ever
Life is now or never
Forever and ever
Life is now or never
Forever's gonna slow you down

You'll never see me again
So now who's gonna cry for you
You'll never see me again

No matter what you do
You ll never see me again
So now who s gonna cry for you
You ll never see me again
No matter what you do

Forever and ever
Life is now or never
Forever never comes around
