

## Stompa

Serena Ryder

Stompa " Serena Ryder

**Em** **G** **Am** **C** **B**  
People, working every night and day

**Em**  
Never give yourself no time

**G** **Am** **C** **B**  
Got too many bills to pay

**Em** **G** **Am** **C** **B**  
Slow down, nothing's gonna disappear

**Em** **G**  
If you give yourself some room

**Am** **C** **B**  
To move to the music you hear

**Em** **G** **Am** **C** **B**  
Gotta get up, listen to me

**Em** **G** **Am** **C** **B**  
Clappa your hands, stompa your feet

People, looking for the great escape  
Looking for the greener side  
Trying to find a better way  
Slow down; open up your big brown eyes  
Feel the rhythm in your heart  
You don't even need to try

Gotta get up, listen to me  
Clappa your hands, stompa your feet  
Nothing is wrong, if you move to the beat  
Clappa your hands  
Stompa your feet  
Stompa your feet

**C** **Em** **Am**  
When you can't seem to shake off all the feelings that are breaking

**Em** **G** **Am**  
Little pieces of the music that's in you

**C** **Em**  
All the pain that you feel

**G** **C**  
I can prove it's not real

**A** **B**  
There's just one thing you gotta do

Gotta get up, listen to me  
Clappa your hands, stompa your feet

Nothing is wrong, if you move to the beat  
Clappa your hands  
Stompa your feet  
Stompa your feet

Stompa your feet, stompa your feet
