

**The Trouble With Hello Is Goodbye**  
**Sergio Mendes**

**D** **Gdim**  
We wandered through the summertime  
**Edim** **D**  
And drifted into fall;  
**Bm** **Bm7/E D** **G** **Edim**  
We never thought of win - ter at all.  
**F#m** **C#7**  
How foolishly we tossed away  
**B7** **E**  
The buttercups, the time --  
**A**  
Who d have thought  
**G#7** **C#m**  
We d have no more songs to sing,  
**D9** **E7**  
Hills to climb?

**D** **Gdim**  
We summered in each other s arms  
**Edim** **D**  
And slumbered in the glow;  
**Bm** **Bm7/E D** **G** **Gm**  
We never heard the whisper of snow.  
**G/B** **Am7 A7sus4** **Am7**  
But summer s not for - ev - er - more,  
**B7** **Cdim** **C**  
No matter how we try --  
**D** **F#m** **G** **Gdim** **A7** **D**  
The trouble with hello is good - bye.
