SERJ TANKIAN - ELECTRON (CHORDS)

tabbed by: Vombatcombat

Vers: **Dm, Bb, A**

Chorus: **Cm, G, G#, F**

Cm, G#, G

Verse:

[**Dm**]

We follow the ever-falling rain

Electrons protons fight again

[**Bb**] [**A**]

So, we run

[**Dm**]

We follow the ever-rising sun

With feelings of all becoming one

[**Bb**] [**A**]

Then, we fly

[**Dm**]

We fly in our dreams ever so bold

Swimming the seas covered with gold

[**Bb**] [**A**]

Behold, proceed

[**Dm**]

Proceed with the blessing of all the gods

Amidst the time of men at odds

[**Bb**] [**A**]

See! believe

Chorus:

[**Cm**] [**G**][**G#**] [**F**]

Tell me, what it is that we believe

[**Cm**] [**G**] [**G#**] [**G**]

The storm shines bright

[**Cm**] [**G**][**G#**] [**F**]

Tell me, what it is that we believe

[**Cm**] [**G**] [**G#**] [**G**]

The storm shines bright

*** Like this through the whole thing, I believe***
