Then the chorus:

**Ebm**                    **F#**                    **G#m**  
You cheat us when you feed us with the lie,  
**B**  
Stars look out and,  
**Ebm**                    **F#**                    **G#m**  
Cheat us when you feed us with the lie,  
**B**  
Stars look out,

The bridge:

**B**                    **F#\***  
Do you know that life is ending,  
**E**                    **F#\***  
As we go, the dots connecting,  
**B**                    **F#\***  
We had our chance to save the garden,  
**E**                    **F#\***  
As it dies, our souls will harden,  
**B**                    **F#\***  
With these words chastising your conscience  
**E**                    **F#\***  
Were breaking through and praying for  
  
transcendence.

- The end of the bridge is like the intro.
