Serj Tankian

Gm Eb
The love that you bring

F D
You bring me alone

Gm Eb
The pain that you give

F D
Gives me a home

Gm Eb
Do you wanna stay by my side

F D
Do you want me to turn and hide

Gm Eb
We are disappearing inside

F D
Seeing pictures of our goodbyes

Gm Eb
When we, we believe

F D
That our love will survive

Gm Eb
The pain that you bring

F D
It brings me all alone

Gm
Do you love me, do you hate me,

Eb
Do you wanna believe me,

F
Do you think that you don't need me

D
Do you wanna deceive me

Gm Eb
I can't think that it's all over, don't wanna forget

F D
I can't live this disappointment down, I wanna repress your

Gm
Goodbye...

Eb
Goodbye...

F D
The design, we broke the mold

Gm Eb F D
The dreams when you see, that goodbyes aren't for long

Gm Eb
Please follow me

F **D**
To the borders of destiny

Gm **Eb**
I don t wanna break from your side

F **D**
The falling ground screams... goodbye

Gm **Eb**
Please follow me

F **D**
To the borders of destiny

Gm **Eb**
I don t wanna break from your side

F **D**
The falling ground screams... goodbye

Gm
Goodbye...
