The love that you bring
            D
You bring me alone
The pain that you give
         D
Gives me a home
     Gm
                      Eb
Do you wanna stay by my side
Do you want me to turn and hide
      Gm
We are disappearing inside
Seeing pictures of our goodbyes
            Eb
    Gm
When we, we believe
  F
That our love will survive
The pain that you bring
It brings me all alone
     Gm
Do you love me, do you hate me,
Do you wanna believe me,
Do you think that you don t need me
Do you wanna deceive me
                                        Eb
I can t think that it s all over, don t wanna forget
I can t live this disappointment down, I wanna repress your
Goodbye...

Goodbye...
The design, we broke the mold
                   Eb
The dreams when you see, that goodbyes aren t for long
