F#m **D**
The love that you bring

E **C#**
You bring me alone

F#m **D**
The pain that you give

E **C#**
Gives me a home

F#m **D**
Do you wanna stay by my side

E **C#**
Do you want me to turn and hide

F#m **D**
We are disappearing inside

E **C#**
Seeing pictures of our goodbyes

F#m **D**
When we, we believe

E **C#**
That our love will survive

F#m **D**
The pain that you bring

E **C#**
It brings me all alone

F#m
Do you love me, do you hate me,

D
Do you wanna believe me,

E
Do you think that you don't need me

C#
Do you wanna deceive me

F#m **D**
I can't think that it's all over, don't wanna forget

E **C#**
I can't live this disappointment down, I wanna repress your

F#m
Goodbye...

D
Goodbye...

E **C#**
The design, we broke the mold

F#m **D** **E** **C#**
The dreams when you see, that goodbyes aren't for long

F#m **D**
Please follow me

E **C#**
 To the borders of destiny
F#m **D**
 I don t wanna break from your side
E **C#**
 The falling ground screams... goodbye
F#m **D**
 Please follow me
E **C#**
 To the borders of destiny
F#m **D**
 I don t wanna break from your side
E **C#**
 The falling ground screams... goodbye
F#m
 Goodbye...
