**Am** **F**  
The love that you bring

**G** **E**  
You bring me alone

**Am** **F**  
The pain that you give

**G** **E**  
Gives me a home

**Am** **F**  
Do you wanna stay by my side

**G** **E**  
Do you want me to turn and hide

**Am** **F**  
We are disappearing inside

**G** **E**  
Seeing pictures of our goodbyes

**Am** **F**  
When we, we believe

**G** **E**  
That our love will survive

**Am** **F**  
The pain that you bring

**G** **E**  
It brings me all alone

**Am**  
Do you love me, do you hate me,

**F**  
Do you wanna believe me,

**G**  
Do you think that you don't need me

**E**  
Do you wanna deceive me

**Am** **F**  
I can't think that it's all over, don't wanna forget

**G** **E**  
I can't live this disappointment down, I wanna repress your

**Am**  
Goodbye...

**F**  
Goodbye...

**G** **E**  
The design, we broke the mold

**Am** **F** **G** **E**  
The dreams when you see, that goodbyes aren't for long

**Am** **F**  
Please follow me

**G** **E**  
 To the borders of destiny  
**Am** **F**  
 I don t wanna break from your side  
**G** **E**  
 The falling ground screams... goodbye  
**Am** **F**  
 Please follow me  
**G** **E**  
 To the borders of destiny  
**Am** **F**  
 I don t wanna break from your side
