Ebm   C#   B   G#
We re the day birds
Deciding to fly against the sky
Within our dreams, we all wake up
To kiss the ones who are born to die

We re the greying herds
Hurting each other with our lives
Within our dreams, we all wake up
                                B
To kiss the ones who are born
          C#   **Eb7**
Born to die, born to die

Eb7

Ebm
The drum fish
                  C#
They beached themselves in Hara-kiri
B
The blackbirds
              G#
They fell in thousands from the sky
Ebm
Their red wings
            C#
Streaming down from the higher seas
B   **G#**
Deflected by the grounds, they crowned the sun

                    F#
They crowned the sun

```
                Ebm
They crowned the sun
        B                     G#
But I believe that they are free
                      Ebm
When their time was done
                          F#
They were drowned by the only One
        B                   G#
But I believe that they are free
                  Ebm
Washed by the sun

Eb7

Ebm
Our statues
           C#
The soaring edifice of our times
B                   G#
Detracted from the ways of the wise
Ebm                         C#
The future will view all history as a crime
B                 G#
So father, tell us when is time to rise

                   F#
They crowned the sun
                    Ebm
They crowned the sun
        B                       G#
But I believe that they are free
                        Ebm
When their time was done

They were drowned by the only One
        B                   G#
But I believe that they are free
