

## Honking Antelope

Serj Tankian

this is a quite easy version of the song  
the chords fit to the main theme , but its only chords  
dont expect the force of an orchestra^^  
(and remember - you also dont have the voice !^^)

**Em** (hold) **Em**  
Why don t you go photograph  
Everything that ever passed in time  
Indigenous traces, tribal chiefs,  
Vanishing hereditary lines,  
Poets gone wild on the muse  
Prophets all destroying the Tao,

**C** **D** **Em**  
When you see that honking antelope  
**C** **Am** **B** **Em**  
The secret dance of snakes, the tales of it all,

**Em** ..... **Em**  
Nature based beings will survive  
Apocalyptic days of now  
Poets gone wild on the muse  
Prophets all destroying the Tao

**C** **D** **Em**  
When you see that honking antelope  
**C** **Am** **B** **Em**  
The secret dance of snakes, the tales of it all,

**C**  
Of it all,  
**Am**  
Run away with me now  
Run away with me now,  
**B**  
My life,

**Em** **Am** **B** **Em**  
We are the cause of a world thats gone wrong  
**C** **Am** **B** **Em**  
Nature will survive us human dogs after all,

**Em** ..... **Em**  
Why don t you go photograph  
Everything that ever passed in time,  
Poets gone wild on the muse  
Prophets all destroying the Tao,

**C**  
Of it all,  
**Am**  
Run away with me now,  
Run away with me now  
**B**  
My love,

**Em**                **Am**                **B**                **Em**

We are the cause of a world thats gone wrong

**C**                                **Am**                **B**                **Em**

Nature will survive us human dogs after all,

**C**                **Am**                                **B**                **Em**

We are the cause of a world thats gone wrong,

**C**    **Am**

Wouldn t it be great to heal the world

**B**                **Em**                (ring out)

With only a song.
