Undaunted cause your love will see me through

Verse 2: (do chords in verse 1)

How can I make you feel
How I want to hold you near

My days no longer blue
I d shed my wings to offer what is true

Bridge: (parehas ng chords sa verses kaso tigiisang bagsak lng kc effects na yan e)

I still can taste the scent of your voice on my lips
Every moment I close my eyes and breathe you

In my stubborn disbelief in the magic that was woven...
