INTRO: **F-C-Bb-Am** (3x)

F **C** **Bb**
I m watching me make a fool of myself
Am

Silently speaking my wish to be free

F **C**
Turning my world inside out

Bb **Am**
Spin my emotions building my doubt

F **C** **Bb**
I fed on this strangeness plain and true
Am

But there was nothing beneath it i knew

F **C** **Bb**
I see myself falling from grace
Am

My love fading without a trace

I m tired of waiting here for you
