

Diamond Girl
Set It Off

Set It Off - Diamond Girl

Em A Bm D Em

D Bm

Seven o'clock and he ain't home

Em

So many thoughts running through you

Bm

A

Em

Then you found out he makes his rounds when you go out, Oh, no

Bm

Em

Yeah, your love is a lie. We lock up inside with the walls up

D

I'm taking my time to show you I'm not gonna hurt you

Bm

That look in your eyes, is telling me more than your words could

Em D G

One of a kind, fixed in gold

A G A D G

Honey, I don't know how he let you go, he's crazy

G A F#m Bm

Diamond girl, he let me steal you like a thief in the night

A Bm

My diamond girl

Em

Yeah. No, no, no, no. Oo

Bm

Every time you settle down

A Em A Em

You found a guy who put you out

Bm A Bm

You were a gem lost in the rough

Em G Em

So glad I found you now, Yeah

Bm D Em

Yeah, your love is a lie. We lock up inside with the walls up

Bm

I'm taking my time to show you I'm not gonna hurt you

That look in your eyes, is telling me more than your words could

Em D G

One of a kind, fixed in gold

A G A D G

Honey, I don't know how he let you go, he's crazy

A **F#m** **D** **Bm**
Diamond girl, he let me steal you like a thief in the night

A **G** **A**
So lucky that we met while walking under ladders
F#m **Bm** **A** **G** **A**
It hit me in the blink of an eye, that you're my diamond girl
F#m **Bm** **A** **D** **G**
So let me steal you for the rest of my life, my diamond girl
D **A** **E** **D** **G**
Well, somebody lock me up, cause baby, I stole your love
A **Bm** **D** **G** **A**
Romancing a storm, we're on the run, well

D **G** **A** **D** **G**
Honey, I don't know how he let you go, he's crazy
G **A** **D** **Bm**
Diamond girl, he let me steal you like a thief in the night
A **G** **A**
So lucky that we met while walking under ladders
F#m **Bm** **A** **G** **A**
It hit me in the blink of an eye, that you're my diamond girl
F#m **Bm** **A** **Bm**
So let me steal you for the rest of my life, my diamond girl

F#m **G**
Oh, my diamond girl
A **D**
Yeah, diamond girl
F#m **G**
Oh, my diamond girl
