Am
Listen carefully, (Shhh)
C
I know it s hard for you, (I know)
G **D**
You re not quite used to vulgarity and verbal abuse, (Get ready)

Am **C**
Well first off fuck you and what you represent
G **D**
Tryna take the money you didn't earn, you won't see a fucking cent
Am **C** **G** **D**
I'm sorry, did I just make you feel upset? Wanna add a habit and light about 30
cigarettes? (You should)
Am **C**
You're only mad about the fact that I put a light to you
G **D**
Basically tracing paper when all we see is right through you!
Am **C**
Who doesn't love analogies with a couple meanings
G **D**
Especially when it makes a prick like you start steaming
Am **C**
I can tell you're not quite gettin' what I said before
G **D**
What I mean by tracing paper is that you're see-through and disposable

Goodbye
