

Killer In The Mirror
Set It Off

[Intro]

|G#m |G#m E D# |

[Verse 1]

G#m

Look out, they re closing in on you now

G#m E D#

Wake up, or you ll wake up six feet down

G#m

Nobody s got your back in this town

G#m E D#

Knock em in the teeth now

G#m

Out here there s no negotiation

G#m E D#

No room to start a conversation

G#m

Before you get a taste it s taken

G#m E D#

Never let ya guard down

[Pre-Chorus]

G#m

Get back, put your hands up

G#m

Kinda messed up, but it s tough luck

G#m E D#

And I m sorry, but I don t feel bad for you

G#m

Cause I know if, you could switch this

G#m

You d be dishin out the same shit

G#m N.C.

Sayin sorry, but I don t feel bad

[Chorus]

G#m

Now I know

G#m E

There s no one I can trust

I used to think there was

D#

Tell me that I m cut throat

D#

I think you got your eyes closed

G#m

Feel the fear

G#m **E**
And swallow back the tears
Let weakness disappear

D#
There s nobody but me here
The killer in the mirror

G#m **E** **D#**
Killer in the, killer in the, killer in the mirror

G#m **E** **D#**
Killer in the, killer in the, killer in the mirror

[Instrumental]

| **G#m** | **G#m E D#** |

[Verse 2]

G#m
Where did, all of the good people go?

G#m **E** **D#**
They hide, behind the bars on windows

G#m
In hopes, they can forget we re close

G#m **E** **D#**
Try na get some of what they ve got

G#m
Cause I used to believe in justice

G#m **E** **D#**
A place, where there was better judgment

G#m
But now, I m feeling so disgusted

G#m N.C.
By the have its and the have nots

[Pre-Chorus]

G#m
Get back, put your hands up

G#m
Kinda messed up, but it s tough luck

G#m **E** **D#**
And I m sorry, but I don t feel bad for you

G#m
Cause I know if, you could switch this

G#m
You d be dishin out the same shit

G#m N.C.
Saying sorry, but I don t feel bad

[Chorus]

G#m
Now I know

G#m **E**
There s no one I can trust
I used to think there was

D#

Tell me that I m cut throat

D#

I think you got your eyes closed

G#m

Feel the fear

G#m **E**

And swallow back the tears

Let weakness disappear

D#

There s nobody but me here

D#

The killer in the mirror

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror

[Bridge]

E **D#**

Knock em in the teeth now

E **D#**

Never let ya guard down

E **D#**

Get some of what they ve got

E **G#m**

Have its and the have nots

E **D#**

Knock em in the teeth now

E **D#**

Never let ya guard down

E **D#**

When they step in your house

N.C.

Knock, knock, knock em all the fuck out!

[Chorus]

G#m

Now I know

G#m **E**

There s no one I can trust

I used to think there was

D#

Tell me that I m cut throat

D#

I think you got your eyes closed

G#m

Feel the fear

G#m **E**

And swallow back the tears

Let weakness disappear

D#

There s nobody but me here

D#

The killer in the mirror

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror

G#m

Feel the fear

G#m **E**

And swallow back the tears

Let weakness disappear

D#

There s nobody but me here

D#

The killer in the mirror

[Outro]

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror

G#m **E** **D#**

Killer in the, killer in the, killer in the mirror
