

**Lonely Dance**  
**Set It Off**

[Intro]

**Bm**            **G**            **D**            **A**  
One step forward, one step backwards  
**Bm**            **G**            **D**            **A**  
One step forward, one step backwards

[Verse 1]

**Bm**                    **G**                    **D**  
Some days I m up, some days I m down  
                         **A**  
Some days the world is way too loud  
**Bm**                    **G**                    **D**  
Some days my bed won t let me out  
                         **A**  
But I m ok with missin ...

[Pre-Chorus]

**Bm**                                    **G**  
Out on the social anxiety  
**D**    **A**  
Out on the phony friends I don t need  
                         **Bm**    **G**  
So I just turn off my phone and turn on TV  
                         **D**    **A**  
Cause solo s the only way I can breathe  
**A**                                    **A**  
So I just, so I just...

[Chorus]

**G**  
Do my little lonely dance  
                                 **Bm**  
Performing for my only fan  
                                 **D**  
Cause it s my kind of party  
                                 **A**  
My room is where my heart is  
                                 **G**  
I do my little lonely dance  
                                 **Bm**  
I don t need you to understand  
                                 **D**  
And there s no way I m stoppin  
                                 **A**  
It s like nobody s watching  
                                 **F#m**  
As I do my little lonely dance

<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A</b>
One	step	forward,	one step backwards
<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A</b>
One	step	forward,	one step backwards

**Bm**                      **G**                      **D**

These days I m good, These days I m fine

**A**

These days I d rather pay no mind

**Bm**                      **G**                      **D**

Silence is in town, keep her around

**A**

And you ll be glad you re missing

Bm G  
Out on the social anxiety  
D A  
Out on the phony friends I don t need  
Bm G  
So I just turn off my phone and turn on TV  
D A  
Cause solo s the only way I can breathe  
A A  
So I just, so I just...

Do my little lonely dance **G**  
 Performing for my only fan **Bm**  
 Cause it s my kind of party **D**  
 My room is where my heart is **A**  
 I do my little lonely dance **G**  
 I don t need you to understand **Bm**  
 And there s no way I m stoppin **D**  
 It s like nobody s watching **A**  
 As I do my little lonely dance **F#m**

<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A</b>
One	step	forward,	one step backwards
<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A</b>
One	step	forward,	one step backwards

[Bridge]

**G Bm A**  
All I need is me, myself, and I  
**D**  
(One step forward, one step backwards)

**G Bm A**  
All I need is me, myself, and I  
**D**  
(One step forward one step backwards)

**Bm**  
All I need is peace and quiet

Shhh... that s better

[Verse 3]

**Bm G D**  
Some days I m up, some days I m down  
**A**  
Some days the world is way too loud  
**Bm G D A**  
Some days my brain s locking me out so I just

[Chorus]

**G**  
Do my little lonely dance  
**Bm**  
Performing for my only fan

My room is where my heart is  
**G**  
I do my little lonely dance  
**Bm**  
I don t need you to understand  
**D**  
And there s no way I m stoppin  
**A**  
It s like nobody s watching  
As I do my little lonely dance

[Outro]

**Bm**  
I do my little lonely dance  
**A**  
I do my little lonely dance  
**D**  
Like nobody s watching  
**G**  
I do my little lonely dance

(One step forward, one step backwards)

**Bm**

I do my little lonely dance

(One step forward, one step backwards)

**A**

I do my little lonely dance

**D**

Like nobody s watching

**Bm**

I do my little lonely dance
