

Swan Song
Set It Off

(this is my first time posting chords, so be nice! if you have any suggestions let me know.)

I played this on Capo 1 but it sounds fine without a capo as well.

[Intro]

C **Em**
You don't even bother anymore

C
You cut to the bone
Pick up the phone

G
To hear my swan song

[**Em G C G G C D Bm**]

[Verse]

Em **C**
I'll admit I'm impressed

C **Am**
By your vanishing act

Em **Em**
Place your bets on your best guess

C **D**
Of when you're coming back

Em **G**
Draw the curtains

Take the stage

Am
Smoke in mirrors underway

Em **G**
Hold your breath here comes the turn

This is where we all got burned

[Pre-Chorus]

Em
Promises are broken

G **Bm**
Tell me are you happy now? (whoa oh oh)

Em **G**
Drowning in the hourglass

C **D**
I guess our time ran out

[Chorus]

C **Em** **D**
You don't even bother anymore

C
You cut to the bone

Pick up the phone

Em **Am** **G**
To hear my swan song

C **Em** **D**
You don't even bother anymore

C
You left me alone

I'm on my own

Em **G**
Tell me where we went wrong

[Verse 2]

Em **C**
Should I turn on the floodlights

Am
To shine in your eyes

Bm **Em**
Just to get you to speak

C **D** **Em**
And explain why you let it die

G
This new chapter in your life

Am
Read it over once or twice

Em **G**
Burn the pages not the bridge

Sew your wounds without a stitch

[Pre-Chorus]

Em
Promises are broken

G **Em**
Tell me are you happy now? (whoa oh oh)

Em **G**
Drowning in the hourglass

C **Bm**
I guess our time ran out

I hope you're listening.

[Chorus]

C **Em** **D**
You don't even bother anymore

C
You cut to the bone

Pick up the phone

Em Am G

To hear my swan song

C Em D

You don't even bother anymore

C

You left me alone

I'm on my own

Em G

Tell me where we went wrong

[Post-Chorus]

D G

Tell me where we all went wrong

D C F

Tell me where, tell me where

Bm Em Bm

Tell me where.

[Bridge]

Em Bm

Abandon the people who shaped who you are

D A

Selfish and thoughtless, you drown in the dark

Em Bm

I hope that you realize the damage you've done

Am G C

You could not see light even staring at the sun, sun

[Pre-Chorus]

Bm

Promises are broken

G Em

Tell me are you happy now

E

Drowning in the hourglass

G A

I guess our time ran out

[Chorus]

C Em D

You don't even bother anymore

C

You cut to the bone

Pick up the phone

Em Am G

To hear my swan song

C Em D

You don't even bother anymore

C

You left me alone

I m on my own

Em **G** **Em** **Bm** **G**

Tell me where we went wrong

Am **Em** **Bm** **D**

Tell me where we went wrong

C

Tell me where we went wrong

[Outro]

You don t even bother anymore.
