Swan Song
Set It Off

(this is my first time posting chords, so be nice! if you have any suggestions
let me know.)
I played this on Capo 1 but it sounds fine without a capo as well.

[Intro]
C#   **Fm**
You don t even bother anymore
     C#
You cut to the bone
Pick up the phone
G#
To hear my swan song

[**Fm G# C# G# G# C# Eb Cm**]

[Verse]
Fm   **C#**
I ll admit I m impressed
        C#   **Bbm**
By your vanishing act
Cm   **Fm**
Place your bets on your best guess
   C#   **Eb**
Of when you re coming back

Fm   **G#**
Draw the curtains

Take the stage
                   Bbm
Smoke in mirrors underway
Fm   **G#**
Hold your breath here comes the turn

This is where we all got burned

[Pre-Chorus]
Fm
Promises are broken
G#   **Cm**
Tell me are you happy now? (whoa oh oh)
Fm   **G#**
Drowning in the hourglass
                   C#   **Eb**
I guess our time ran out

[Chorus]

```
C#                                Fm        Eb
You don t even bother anymore
    C#
You cut to the bone

Pick up the phone
Fm           Bbm    G#
To hear my swan song
C#                                Fm        Eb
You don t even bother anymore
      C#
You left me alone

I m on my own
Fm           G#
Tell me where we went wrong

[Verse 2]
Fm                       C#
Should I turn on the floodlights
        Bbm
To shine in your eyes
Cm        Fm
Just to get you to speak
C#            Eb                 Fm
And explain why you let it die
          G#
This new chapter in your life
                      Bbm
Read it over once or twice
Fm        G#
Burn the pages not the bridge

Sew your wounds without a stitch

[Pre-Chorus]
Fm
Promises are broken
G#                            Cm
Tell me are you happy now? (whoa oh oh)
Fm                    G#
Drowning in the hourglass
                     C#            Cm
I guess our time ran out

I hope you’re listening.

[Chorus]
C#                                Fm        Eb
You don t even bother anymore
    C#
You cut to the bone
```

Pick up the phone
Fm   **Bbm**   **G#**
To hear my swan song
C#   **Fm**   **Eb**
You don t even bother anymore
     C#
You left me alone

I m on my own
Fm   **G#**
Tell me where we went wrong

[Post-Chorus]
                         Eb   **G#**
Tell me where we all went wrong
                    Eb   **C#**   **F#**
Tell me where, tell me where
         Cm   **Fm**   **Cm**
Tell me where.

[Bridge]
    Fm   **Cm**
Abandon the people who shaped who you are
Eb   **Bb**
Selfish and thoughtless, you drown in the dark
    Fm   **Cm**
I hope that you realize the damage you ve done
     Bbm   **G#**   **C#**
You could not see light even staring at the sun, sun

[Pre-Chorus]
Cm
Promises are broken
                             G#   **Fm**
Tell me are you happy now
F
Drowning in the hourglass
                             G#   **Bb**
I guess our time ran out

[Chorus]
C#   **Fm**   **Eb**
You don t even bother anymore
     C#
You cut to the bone

Pick up the phone
Fm   **Bbm**   **G#**
To hear my swan song
C#   **Fm**   **Eb**
You don t even bother anymore
     C#
You left me alone

I m on my own
Fm   **G#**   **Fm**   **Cm**   **G#**
Tell me where we went wrong
Bbm   **Fm**   **Cm**   **Eb**
Tell me where we went wrong
C#
Tell me where we went wrong

[Outro]
You don t even bother anymore.
