Repeat Twice

**Em A**

**F# G# A**

**Em C# A Ebno5**  
With balled up fists, take steady aim

**E C# A Ebno5 E**  
Iâ€™ll make a go of this and wish for better things than what Iâ€™ve seen  
**Em C# A Ebno5 E**  
â€™ll look forward, straight, and aheadâ€™. â€™ easier said than done

I know, for this time, Iâ€™m gonna try

**Ebno5 A Em B Ebno5 A Em**  
Turn around and close your eyes â€™ wasted days and smiles

**Em C# A Ebno5 E**  
Talk is cheap, and mineâ€™s the worst

**Em C# A Ebno5**  
Iâ€™ve realized my actions are worth so much more

**E**  
than they were before

**Em C# A Ebno5 E**  
Itâ€™s time for me to gather all my thoughts,

**Em C# A Ebno5 E**  
turn them all inside out and see what itâ€™s all about

**Ebno5 A Em B Ebno5 A Em B**

Turn around, and close your eyes "wasted days and smiles  
Ebno5           **A**           **Em**           **B**           Ebno5           **A**           **Em** (breakdown)  
I need to find what might be mine, just let me go this time.  
**Em**   **A** **G#**  
Don't say, "I quit".

**Em**   **A** **G#**  
I'll be back

**Em**   **A** **G#**           **Em**  
I need to find what might be mine, just let me go this time

The rest is pretty much the same Except for an F# in there a few times and a little more upbeat...  
It shouldn't be too hard to learn the rest by ear... Tab credit goes to Zach Miller
