Rogers Intergalactic Tour
Seth Decker and The Missing Pieces

Intro **G, D, G, D**

G **D**
Some folks don't believe
G **D**
when I tell them face to face
G **D**
I have a friend named Roger
G **D**
and he comes from outer space

Em **D**
You might have heard the time before
Em **D**
first time he came knocking at my door

G **D**
When Roger comes to visit
G **D**
he lands in my backyard
G **D**
eats up all the ice cream
G **D**
and drives my dad's new car
Em **D**
but I love it when he comes around
Em **D**
He's always my ticket out of town, yeah

G **D**
when we finish dinner
G **D**
is when Roger likes to say
G **D**
Let's go see the planets
G **D**
up there in the milky way
Em **D**
I say can we go right now
Em **D**
he says yeah man and I'll show you how

Chorus

G **D** **G** **D**

First we visit Mercury, Venus Earth and Mars

G D C D

Jupiter and Saturn, drawing pictures in the stars

G D C D

Uranus Neptune Pluto and you know we re really far

now I don t have to tell you, me and Roger won the race

G D G D

Flew past all his buddies with a smile upon my face

Em D

But then I was in for a shock

Em D

the space ship told me it was nine o clock

G D G D

Well Roger turned that ship around, headed back to earth

G **D** **G** **D**
And when we landed in my yard my mother saw me first

Em **D**
she said where on earth did you two go

Em **D**
I said every single planet that I know

Chorus
