That s my other jaw swollen and shameless
That s my other eye swollen but peering

```
G           A           Em           Em
And another singer is born      Every sip I take
And another singer is killed    Every sip I take
G           A           Em           Em
Drain away my words just like they were my flesh and bone
G           A           Em           Em
```

And they re barking at me Yeah they re working on me
G A Em
 Just like my favorite dog.
