

Laughing Out Loud Seven Mary Three

Laughing Out Loud - Seven Mary Three
transcribed by: Dave Neufeld

Drop D tuning (DADGBE)

Main riff is a pretty easy slide, the record version sticks more to the G - A slide while the live version seems to play with a F# - E slide as well, which I ll show below:

```
   D   G   A   D
e-----|
B-----|
G-----|
D---0-----5///7--0--0--4-4-4//2-0-----|
A---0-----5///7--0--0--4-4-4//2-0-----|
E---0-----5///7--0--0--4-4-4//2-0-----|
```

Chorus riff:

```
  Bm  G  D  G  A  D  G  A  D  Bm
e-----|
B-----|
G-----|
D--9--5--0--5//7-0--5//7---12\\\9-----|
A--9--5--0--5//7-0--5//7---12\\\9-----|
E--9--5--0--5//7-0--5//7---12\\\9-----|
```

You may want to play around with that 2nd slide more because it makes it more interesting, but for now I ll chord the song as I hear it on the album version.

Laughing out loud

I know your body is a battleground
I can feel you pull when you think it
Close your eyes and think of me
If you make the rules you can shake them
But you can't shock me because I can take it

I'm not going anywhere
Soundtrack skips, we get over it
