**G5 Eb5 C5**  
I awoke in a sinking Manhattan.

**G5 Eb5 C5**  
I played in drunken cathedrals.

**G5 Eb5 C5**  
There were businessmen in armchairs with namebrands and short hair.

**G5 Eb5 C5**  
Detonating with evil.

**G5 Eb5 C5**  
So I scratched out the eyes of all my past lives.

**G5 Eb5 C5**  
And gathered my crooked flowers.

**G5 Eb5 C5**  
The gardener grins as the toothache begins.

**G5 Eb5 C5**  
And the angels sing free from the towers.

**C B Bb F**  
Can t stop this sleepwalking.

**C B Bb F**  
Can t stop my mind from talking.

**G5 Eb5 C5 G5 Eb5 C5**

**G5 Eb5 C5**  
 Holy laughter in the river with Ginsey.  
**G5 Eb5 C5**  
 I saw John in heaven dancing with Buddha.  
**G5 Eb5 C5**  
 Throwing pennies of X on the genXers heads.  
**G5 Eb5 C5**  
 Singing could-a-would-a-should-a.  
**G5 Eb5 C5**  
 In my dreams I ve seen things naked and puzzled.  
**G5 Eb5 C5**  
 My future fluorescent and dark.  
**G5 Eb5 C5**  
 And my spies realize that hope s euthanized.  
**G5 Eb5 C5**  
 By the paranoid ache in my heart.

**C B Bb F**  
 Can t stop this sleepwalking.  
**C B Bb F**  
 Can t stop my mind keeps on talking.  
**C B Bb F**  
 Can t stop this sleepwalking.  
 (The prisoner in my head)
