versel:

G

As deep, as deep as the ocean floor

C2

As high, as high as the eagle soars

G

As far, as far as a falling star can go

C2

You ve taken all of my mistakes

And put them anywhere but close

G

They have gone away,

chorus:

G **C2**

From the east to the west

G **C2** **D** **G**

Any height, any depth, that s where it goes

G **C2** **G** **C2**

From the ground to the sky, from low to high

D **G**

That s where it goes

G **D**

You act just like, like it never happened
