Same chord pattern throughout:

Cos I need to hear
Your pretty voice
Hear you calling, hear you calling
But you leave me without a hope
Without a choice
I m falling, I m falling

So I,
I guess we re over
I accept it
But I need you somewhere
In my life

Okay, pretend, pretend

I don t want you to lie

I want you to know oh

That little light
We were burning, we were burning
Now the day rolls into night
Love s out of sight
And I m hurting
I m hurting

Show me the way to be
Your friend, your friend
I don t want you to lie
Okay, pretend, pretend

I don t want you to lie oh

I want you to know oh
