

Midnight With You
Seven White Roses

(Verse 1)

C **Am**
As I m walkin through the woods alone

G **F**
I can t handle the pain

C **Am**
I had so many opprotunities

G **F**
But I pushed em all away

C **Am**
I regret my decisions so much

G **F**
That I know I can never go back

C **Am**
So much pain inside eating away at me

G **F**
Feels like I m havin a heart attack

(Chorus)

C
And as I stare up at the stars

Baby, I m reminded

Am
Of all those other times

When I could ve decided

F **G**
That there could ve been a me and you

C
And now I m wishin you were here

Starin at the sky

Am
Wishin you were close and safe at my side

F **G**
And baby though I know we could never be two

F **C**
Baby, I wish I could be spendin this midnight with you

(Verse 2)

C **Am**
If only you were here tonight

G **F**
I d be the happiest guy

C **Am**

Cause baby, the glow comin from you

G

Would be enough to make the moon

F

Look black against the sky

(Chorus)

C

And as I stare up at the stars

Baby, I m reminded

Am

Of all those other times

When I could ve decided

F

G

That there could ve been a me and you

C

And now I m wishin you were here

Starin at the sky

Am

Wishin you were close and safe at my side

F

G

And baby though I know we could never be two

F

C

Baby, I wish I could be spendin this midnight with you

(Guitar Solo) Other guitar plays **C Am G F C Am F G**

(Chorus)

C

And as I stare up at the stars

Baby, I m reminded

Am

Of all those other times

When I could ve decided

F

G

That there could ve been a me and you

C

And now I m wishin you were here

Starin at the sky

Am

Wishin you were close and safe at my side

F

G

And baby though I know we could never be two

F

G

Baby, I wish I could be spendin this midnight with you

F
