

Unraveling
Sevendust

Tuning: Standard

Capo 1st fret

Em

I need an answer

G

Some way to understand

Am

You re still so convincing

C

And a lil out of hand

Em

So tell me one thing

G

Who gave you all those scars

Am

And took away your innocence

C

You push away with everything you are

[pre-Chorus]

Am **C**

I can t take this anymore

Bm

I m tired of breaking

B7

I m tired of breaking

[Chorus]

Em

I want the world to see

G

You sold a broken dream

Am

You were not there for me

Bm

I was Unraveling

Em

All that we never knew

G

That could have been me and you

Am

But you took everything

Bm

Em

Now we re just here Unraveling

Em

So here we are now

G

Break what s already broken

Am

I guess I could have seen this coming

C

If you d been around

Em

Let s tear the past wide open

[pre-Chorus]

[Chorus]

C

What have we become

Em

G

Am

The hopeless dramatic thinking it s over

C

Em

We hope to find the truth still breathing

G

B7

but can we survive that long?

Em

I want the world to see

G

You sold a broken dream

Am

You were not there for me

Bm

I was Unraveling

Em

I want the world to see

G

You sold a broken dream

Am

You were not there for me

Bm

I was Unraveling

Em

All that we never knew

G

That could have been me and you

Am

But you took everything

Bm

Now we re just here Unraveling

[Outro:] **Am Bm Em**
