Brand New Man Seventh Day Slumber Intro: D G Em G Verse 1: A morning rainbow fills the sky, I think I'm dead But I know I'm not dead yet I've been missing You, You've been here all along I guess sometimes I just forget \mathbf{Em} There was comfort in Your breath You made me believe that life was worth it Chorus: EmI'm a brand new man and I will never be the same I'm a brand new man and I will never be the same Interlude: D G Em G Verse2: I remember the day that I met You The emptiness I had could fill a mountain And I believed it was true, my pain would never go away But there was comfort in Your breath, Em You made me believe that life was worth it. Chorus: Bridge: And I'm not looking back My past is far behind me, yeah I'm stronger every day

You've made me a brand new man

Chorus x2

Outro:
