

What I Need
Seventh Day Slumber

Intro: **Em, C**

1º Parte

Em	C	Em
Well I can ask the gene to pull me through		
	C	Em
Well I can ask the mad man for his point of view		
	C	Em
And I can call a phycic for a well rehersed guess		
	C	
I can call on budah for a walk in the dark		
Em	C	Em
I can call on bobby we got high from time to time		
	C	Em
Call a politician to tell me wrong from right		
	C	Em
I can ask my best friend to tuck me in my bed		
	C	
Or I can call a suicide line with a gun to my head		

Refrão

Am	F
What I need is some good advice	
Am	F
To help me win this losing games	
Am	F
I can see my life before my eyes	
Am	F
Oh and I can t stand the pain	

-----Introdução-----

2º Parte igual a 1º

The gene couldn t help me she was full of smoke
The mad man gave me a padded cell
The Physic didn t know me it was just a joke
And Budah walked me to the gates of hell
Bobby died with a needle in his arm
The politician is doing time
My best friend he found the answer Jesus Christ
And I m still hanging on the suicide line

Solo: **Em, C** (4x)
Am, F (4x)
