

**Beyond Today Farewell Pt 3**  
**Seventh Wonder**

Beyond Today " Seventh Wonder (Capo 4 for original key)

[Verse 1]

**Em** **C**  
I can hear them through the window  
**G** **D**  
Singing out my name  
**Em** **C**  
They all laugh and sound so happy  
**G** **D**  
Why so happy? I don't know  
**Em** **C**  
If I fail, if I don't make it  
**G** **D**  
Will their song remain the same?  
**Em** **C** **G**  
Or will the echoes fade to make these streets sound silent  
**D**  
Once again

[Pre-Chorus]

**D** **Am**  
They say I'm the one  
**C** **G**  
But what if I'm not the one who can save us  
**D**  
From the end of the world  
**Am** **C**  
Even though I must go, it's important to know  
**G** **D**  
I am scared, but I won't let it show  
**C** **D** **G**  
What if I--if I never do what I did in my dreams  
**C**  
So many times  
**G** **D**  
And I wonder will I ever say  
**Em**  
Hey

[Chorus]

**C** **G**  
If you tell me yours, I'll tell you mine  
**D** **Em**  
A perfect stranger in a ticket line  
**C**

Just like in the movies

**G** **D**  
Will he put his hand in mine?

**Em** **C** **G**  
And will I ever dance prom night away?

**D** **Em**  
And throw my hat up high on graduation day?

**C** **G** **D** **C**  
I think it's safe to say the best is yet to come

**D** **G** **D**  
There's somewhere beyond today

[Verse 2]

**Em** **C** **G** **D**  
I can hear her in the kitchen, crying out my name

**Em**  
And how it breaks her heart

**C** **G** **D**  
This brand-new start will tear all she knows apart

**Em** **C** **G** **D**  
I can hear him in the hallway, fallen to his knees

**Em** **C**  
And the always strong and silent one's

**G** **D**  
Not silent anymore

[Pre-Chorus]

**D** **Am**  
They say I'm the one

**C** **G**  
But what if I'm not the one who can save us

**D**  
At the edge of the world

**C** **Am**  
Even though I must go, it's important to know but--

[Chorus]

**Em** **C** **G**  
If you tell me yours, I'll tell you mine

**D** **Em**  
A perfect stranger with a pick up line

**C**  
Just like in the movies

**G** **D**  
Will he put his hand in mine?

**Em** **C** **G**  
And will I ever dance prom night away?

**D** **Em**  
And throw my hat up high on graduation day?

**C** **G** **D** **Em**  
I think it's safe to say the best is yet to come

**Em** **C** **G**  
Will someone ask my dad for his daughter's hand
