I have never heard that song before, but if I don t hear it anymore

It s still familiar to me, sends a thrill right through me

Cause those chords remind me of the night that I first fell in love to

**C** **Am** **F** **G**  
A melody that s never the same, a melody that s calling your name

It begs you please, come back to me, please, return to me,

You whisper in my ea\_\_r, oh my darling, aha

[Verse 3]

I ll be waiting by the radio, you ll come back to me some day, I know  
Been so long since our last goodbye, but I m singin as I cry-yi-yi  
While the bass is sounding, while the drums are pounding  
Beatings of my broken heart will rise to first place on the charts  
Oh my heart arranges, oh those magic changes, oooh yeah
