A-A/G-A/F#-A/G (4x)

Verse

D **G** **A**
And here s to you, I gotta tell you how I feel
D **G** **A**
Cuz from the first you left something inside of me
D **G** **A**
It s when you come to me and wake me in my sleep
D **G** **A**
Are you mine-Are you there for me to see?

Chorus

D **G** **A**
You re so beautiful in all that I can say
D **G** **A**
Come on around now, come and make our day

Intro riff (2x)

Verse

It s like you turned to me to look upon my scene
Cutting away my artificial dreams
Are you floating over sinking onto me
And will I walk wander space and worlds to see

Chorus

You re so beautiful in all that I can say
Come on around now, come and make our day
You re so beautiful you wake me in my sleep
You re my mind, my soul, my head, my feed

Bridge

Em **G** **A**

I ll be the first to take your pain

Em **G** **A**

If I can t I ll be there to take your strain

Intro riff (4x)
