**Am**

I remember Jack went away

**D** **F** **Am**

And we followed him for seven days

**G** **F** **Am**

All the pubs and bars he d been in

**G** **F** **Am**

All the shops and places that he d seen

**Am**

When the rain and snow pelted us

**G** **Em**

We d hide up in the trees

**Am**

Tree houses my specialty

**D** **F** **Am**

Cos it comes from a dad who knows trees

**G** **F** **Am**

I ll go fishing for something to eat

**G** **F** **Am**

I hope you think it s tasty, I know you love meat

**C** **Em** **Am**

**Am**

When we arrived in the town

**G** **Em**

We thought we saw Jack for a while

**D** **F** **Am**

**G** **F** **Am**  
His brand new trainees gone and his teeth

**G** **F** **Am**  
He looked high as heaven to me

**C** **Em**  
Come on Jack lets get you home

**Am**

**C** **Em**
